From the Principal

Congratulations to Kylie Jolly and husband Chris on the birth of daughter Tahlia Christine born on Tuesday, weighing 2.67 kgs. Both mother and daughter are doing well!!

Good luck to our Junior and Senior Dance groups who rehearsed at Glen Street Theatre this morning and will perform tonight and on Saturday evening at Glen Street.

Our 76 Year 5 students and four teachers are off to Bathurst on Monday to Wednesday next week. We hope they manage to keep warm as it should be nice and chilly!!

Super Hoots Morning Teas
I know that there are many boys and girls who have now received at least five Principal stickers for good deeds in and out of the classroom. Due to the busy end of term activities the K-2 and 3-6 morning teas will be held at the start of next term.

Peninsula of Schools NAIDOC celebrations
Please see the detailed flyer later in the newsletter about the events next week at Mona Vale PS. A number of our students and classes have submitted art work for the exhibition and some students will be sleeping out at Mona Vale school!! You may remember that last year Wheeler Heights hosted this event.

Semester 1 Reports
Teachers are currently finalizing reports for each student. These will be distributed to each student next Thursday. The school office will post a copy of the report to a parent or carer who may not reside with the student. Please let the office know if we need to update our records to ensure that a copy is received by all parents.

Multicultural Public Speaking
Congratulations to the class representatives listed below who made it to our school finals last week. Two speakers from each stage will now represent our school at the district finals next Tuesday. Congratulations to Keira and Alyssa from Stage 3 and Imelda and Luke from Stage 2.

Next week a copy of the Term 3 calendar will be attached to the newsletter and put on the website.

DREAMING OF AN ABORIGINAL FRIEND by Chloe Herriott

My name is Chloe Herriott and I am 11 years old. I have an English and Scottish background, yet I was born in Australia and have lived here all my life. I find Aboriginal ways very interesting, and I like to listen to dreamtime stories. I believe that the saddest part of Australia’s history is the stolen generation and other governed events like it. If an Aboriginal student came to my school I would definitely like to become friends and share information with them.

If an Aboriginal student came to my school I’d be very interested and would love to learn some unique things from them. I know that Aborinjals place a lot of importance in where they come from, so I would ask about their clan, kinship and which part of Australia they come from. I am sure that this student would know a lot about native plants, animals etc. I’d happily hear about their family, friends and maybe even their pets! I’d love them to tell me about or even show me their traditional bush food, games and craft, but one thing that I find most interesting about Aborinjals is their dreamtime stories.

I would love to share some of my favourite activities with an Aboriginal student. If the student was a girl, I would happily teach her how to play netball, hopscotch or how to skip with a rope. I enjoy playing all of these games with friends and would be happy to include her too. If she hasn’t already been sucked into the rainbow loom bracelet craze, I could tell her about that. My friends and I could make them for her as we do with each other, and teach her the best methods of making them. However, these activities may not interest boys, so if the student was a boy, I could teach him how to play handball or how to play one of my favourite lunchtime games, cops and robbers, an active, fun game that my friends and I sometimes play with the boys. Of course, this student may be able to do all or some of these activities I have mentioned. The boys might make some bracelets and the girls might play handball. There are so many things I could show an Aboriginal student.

There are many ways to make people who are new to something feel welcome, and an Aboriginal student would be no different. I believe that the best ways to make someone feel welcome is to seem interested in them, include them and in general be just as friendly and polite towards them as you would be to anyone else. If an Aboriginal student came to my school I’d invite them as you would be to anyone else. If an Aboriginal student came to my school I’d invite them to sit with my friends and I at lunchtime, just as I would ask anyone else. This student could end up providing excellent friendship in many ways. I would definitely try my best to be a welcoming, trustworthy friend to this student.

If an Aboriginal student came to my school, unique knowledge gained from them would be interesting and it could also be quite useful to my family and I. My family and I go camping usually once or twice every year, and we love cooking food, singing songs and telling stories around a campfire. Unfortunately, when it comes to cooking food, we’re limited to toasting marshmallows and occasionally making toasted sandwiches and damper. If an Aboriginal student was willing, I am sure they could give us some tips/recipes and possibly show us some native plants that we could use in some types of food. My family might even go on a camping trip with the Aboriginal student’s family, who knows? An Aboriginal student could definitely teach me some useful things.

An Aboriginal student might be very interested in some new things to them that I know about, such as some sports, music, art, dance, etc. and I could definitely teach them some things about them. Unfortunately, when it comes to cooking food, we’re limited to toasting marshmallows and occasionally making toasted sandwiches and damper. If an Aboriginal student was willing, I am sure they could give us some tips/recipes and possibly show us some native plants that we could use in some types of food. My family might even go on a camping trip with the Aboriginal student’s family, who knows? An Aboriginal student could definitely teach me some useful things.

In conclusion, if an Aboriginal student came to my school, I’d love to share with them some new things and learn some things from them too. I’d see it as a perfect opportunity to find friendship in that student and maybe learn some more about those dreamtime stories.
SPORTS REPORT

Kahli stars at Sydney North Cross Country!

Congratulations to Kahli Johnson who came third at the Sydney North Cross Country held at Gosford Racecourse on Thursday 12th June. This is an outstanding achievement and she will now go on to compete at the NSW State Cross Country Carnival at Eastern Creek Raceway on the 18th July. She is our first school competitor to achieve this level in many years.

Alice MacDermott, Erin Gaw, Mia Herriott and Lulu Ryals (Lulu is only in Year 2!) performed very well in their respective events on the day! Well done, girls!

Girls Selected for Sydney North Softball Trial

Congratulations to Mel Morris, Ellie Watts, Izzy Morris and Jade Callabretta who have been selected to represent Pittwater zone in softball at the Sydney North trials at St Ives on the 16th July. A terrific effort! Good luck to all at the next level.

Premier’s Sporting Challenge

We are now at the halfway mark for the school’s participation in the Premier’s Sporting Challenge. It is excellent weather for moderate to vigorous exercise right now! Please make sure your child is completing their participation card each day or as part of their class homework tasks. On the K-2 cards, students colour a picture each time they complete a form of exercise each day. On the 3-6 cards, students mark off segments of 20 minutes of moderate to vigorous exercise…this means you can talk while exercising but not sing! Levels of achievement are outlined below:

The focus this fortnight – Turn off the TV or computer and get active

All students will bring home a healthy living information sheet with a homework activity attached next week. Please read this information and discuss it with your children. Further information can be obtained for the Healthy Kids website below.

Mrs Priscilla Wright – LLW@S Co-ordinator

### Turn off the TV or computer and get active

- Set a limit on the amount of time children watch television or spend on the computer. Two hours a day is the maximum. Too much screen time limits physical activity.
- On the weekend, live life instead of watching it on TV. Find a new place to hike, bike or run. When you hear “I’m bored” – think of something active to do.
- During the winter months, avoid allowing children to watch too much TV or play video games. Encourage active play, which builds social, mental and physical motor skills.

### Why reduce television time?

- studies have shown we use less energy watching TV than sitting still
- TV influences the food choice of kids – Australia has a high rate of junk food advertising during children’s viewing hours
- TV replaces time a child can be active and enjoy physical activity
- there is an association between TV watching and being overweight
- 40% of children 5 – 12 years report watching an average of two hours or more of television or videos a day.

### Screen-free things to do

Limit your child’s screen time to no more than one to two hours a day. This includes television, electronic games and computer games. Offer alternatives to watching TV, until new, healthy habits are created. Some alternatives are:

- listen to music
- go to the park
- draw a picture
- play cards
- ride a bike
- read a book
- make a scrap book
- hula hoop / jump rope
- play with your pet
- do a crossword
- learn a magic trick / learn to juggle
- plant some seedlings
- play hopscotch
- learn to knit or crochet
- play a board game
- create sidewalk art with chalk
- build a cubby house.
Primary Ethics provides the opportunity for NSW public primary school students who don't attend scripture classes (SRE) to participate in philosophical ethics classes. We need volunteers to teach ethics classes at Wheeler Heights Public School. The classes teach children how to approach ethical issues and develop their capacity for considered moral judgment, which will enable them to respond more thoughtfully to many of the problems and issues they will face in their lives. Volunteer Ethics Teachers are trained to deliver our age-appropriate curriculum every week and to use the accompanying learning and teaching materials.

For more information about the role and to volunteer, please go to http://www.primaryethics.com.au.

Alternatively, you can contact me at wheelerheightsethics@gmail.com or please contact Mr Scotter at school.

BAND NEWS

SENIOR BAND LIVE ON TV!!
Did you see Cheryl and her “skeletally-staffed” Senior Band, on live television last week, in front of over 200,000 people? Wow! That’s about as good as it gets! The performance was completely impromptu, coinciding with our regular rehearsals. Thanks to Channel 10 and Mr Scotter for allowing this wonderful opportunity and experience. Well done those who performed. You did the school and all our bands proud.

The Senior Band also gave a wonderful performance at the Forest High as part of the NSSWE Concert series on Thursday evening 12th June. Even the high school students were impressed with our band’s playing skills!

DEBBIE ENGLISH AND HER FAMILY
Most of the WHPS band family and our wider school community know and love Debbie English, who was our cherished Training Band conductor for around 10 years. Debbie and her three daughters all attended our school, with Matilda Williams being one of the school’s Vice Captains just last year.

Unfortunately Debbie’s 14 year old daughter Tiffany Williams is about the have major brain surgery. She has been diagnosed with Chiari 1 Malformation which means her brain has become displaced and is slipping down into the spinal canal. She is in considerable pain and although the operation carries high risk, her condition will become fatal without it.

The WHPS Band Committee has agreed to join the cause to help Debbie and her family get through this difficult time. We are working with Harbord Public School’s Band Committee (where Debbie is currently teaching) to develop fundraising plans. At this stage a website has been established seeking online donations. We encourage everyone to Band together for Tiffany

PLAYERS OF THE WEEK
Ashley Johnson scored a B+ in her grade 4 clarinet exam. Great work Ashley! You are an inspiration!
Maya Turner recently did her grade 5 clarinet exam (that’s right folks it’s freaky, she did GRADE 5!). She got a B. Wonderful effort Maya!
Alice MacDermott stunned her family when she got an A in her grade 3 sax exam. All achieved despite her faltering father’s nervous accompaniment. Go Alice!
Neve Blackwell is incredible! She got a B+ in her grade 1 clarinet exam. Never-say-No-Neve is a wonder to behold.
Jess Blackwell is unstoppable! In her grade 1 trumpet exam she got a B. Jumping Junipers Jess – that’s fantastic!
Millie Langer scored a B+ in her grade 1 flute exam! Millie, Millie, she’s not silly, When she blows her flute, Oh what a wonderful filly!
Kai Turner got and A in his Grade 2 trumpet exam. BOOM! BAM! Great work Kai, you smashed it!
