From The Principal:

Last Friday you will have heard that we had a Lock Down procedure at school. It was an excellent opportunity to have a real drill, as a child had been seen running out of the school at lunchtime. All classes went back inside and rolls were checked. We then discovered that the child in question had been correctly signed out of school from the office a while earlier but had returned to collect a forgotten item. Clearly this was a good example of why parents must always sign their children in and out of the school office if they are leaving or returning to school. Thank you to the staff and children who so calmly and professionally dealt with the situation on Friday.

Congratulations again to our wonderful Dance groups who have been very busy of late. The Senior group won a Highly Commended on Sunday at the Extreme Eisteddfod and both groups performed superbly on Tuesday and Wednesday evening at Glen Street. Tomorrow is the final performance at the matinee at Glen Street. A huge thank you to the wonderful Tahli our dance instructor, amazing parent organisers Denelle & Bek, our teachers Miss Calvi, Mrs McColl, Miss Alexander & Mrs Richards and all parents for your great support. It’s been a very successful and highly enjoyable season!!

Please see the advert later in the newsletter about a local production of The Sorcerer and Trial by Jury at the War Veteran’s theatre starring a number of ex-students and parents from WHPS.

Good luck to one of our skateboarding champions Jed R (6B) who has been entered into the ‘Wild in the Parts’ skateboarding competition. He will need our Wheeler support – see the sports section of the newsletter for more information, and visit http://witp.volcom.com.au/2015/06/jed-ragen/ to support him.

Super Hoots Morning Tea
Almost 50 Years 3-6 students attended the Super Hoot morning tea last Friday and about 150 K-2 students will be coming tomorrow at 11am. Students who have collected 25 Super Hoots throughout the last two terms are invited. Super Hoots are given by all teachers for a variety of good deeds and behaviour in and out of the classroom. Invitations have been given to eligible students.

NAIDOC week
This week is the PCS NAIDOC activities at Avalon PS. It was pleasing to see many school families at the Art Exhibition last night. The quality of the art work created by the PCS students is outstanding and selected pieces will be part of a travelling exhibition next term. Today some of our students and teachers are taking part in Indigenous activities and a visit to West Head and tonight some of our children (and Mr Williams) are camping out at Avalon PS!!

Staff Development day
Monday 13 July is a Staff Development Day for most state schools. At Wheeler Heights we will be looking at the new Performance Development Framework, The National Consistent Collection of Data and working on playground routines and programming for the next semester. Students return to school on Tuesday 14 July.

Education Week- Thursday 30 July
On Thursday 30 July we plan to have our Education Week Open Day starting with a picnic lunch with parents and then performances in the school hall. More details shortly!!

Chess News
Well done again to our Chess team who competed at Scots College last Friday in a very strong competition, finishing 9th out of over 30 teams. Well played Ollie, Ethan and Luke and thank you to our parent driver Mrs McAlinden and super coach Lev!

School Reports
Reports will be sent home with all children today. Please contact the school office or your class teacher if you did not receive a report or need to have one sent elsewhere.

Soccer Balls
At Monday morning’s assembly we had a special draw for a brand new RREPP soccer ball – well done Ale Briones who was the lucky winner. RREPP’s sporting products are manufactured according to strict Fairtrade and ethical standards - protecting not only the planet but also those who live on it! – and is operated by one of our parents. Visit http://www.rrepp.com.au/ for more information.

Term 2 Wk 10  25 June 2015
The Chicken Holiday Roster.
Thank you to the families who have volunteered to look after our six chickens these holidays. You will be receiving an email today with dates and details.

Student Absences and Primary Parent App
A number of parents have been asking about the school Parent Planner App. Please be sure to select the Whole School group option so that all messages will be sent to you. Many parents have also commented on how easy and efficient it is to send an absent note/explanation when your child is not at school. At this week’s P&C meeting we had a good discussion about attendance and notification if your child is not at school on a particular day. We are looking at measures to further ensure the safety and security of our school community.

TERM Dates:
Term 3 Tuesday 14 July – Friday 18 September
Term 4 Tuesday 6 October- Wednesday 16 December

Have a safe and happy holiday. Could all parents please remind your children that during the holidays the school is not a place to play, skateboard or meet. We have OOSH here each day and also some building and maintenance work happening at school. Please help us to ensure the safety of our students. If you do see any inappropriate behaviour or visitors at school please feel free to call the school security number 1300 880 021.

David Scotter
Principal

From The Office:
Each year Stewart House organise a clothing appeal to help with their fundraising. Stewart house clothing bags are now available in the office. If you have any old clothes to donate to this worthy cause, please collect a bag and return filled bags to the office before Friday 17th July.

School Administration Manager

App news
I hope to be preaching to the converted in pleading our parents and wider community to begin to use our school communication App. The app – Primary Parent Planner – is available for Apple and Android smartphones and tablets. It is free and easy to use and is a vital component of our communication system.

For those not yet on the app, the process is simple:
1. Install the app from the Appstore (Apple) or Google Play (android)
2. Add a student (that is your child – one for each child)
3. Search for a school and select Wheeler Heights P S
4. Select the groups that each child is part of.

NB – You MUST select ‘Whole School’ as an option at this point (it is the first group listed)

Now that it is set up – explore the various features at your leisure. Ask your friends what they know about it and share your knowledge. You will find that it is a great way to access the newsletter each week as well as providing a handy way of contacting the school via email or phone. You can access flexi schools through the app and even submit an absence note when your child is sick or away.

The most useful feature, however, is the use of push notifications which are sent directly to your phone should we wish to relay any important information or reminders. These are sent to individual groups and rely on you selecting the appropriate groups when signing up (e.g. a reminder about this weekend’s dance eisteddfod will only go to those who have selected the junior or senior dance groups in the setup phase, whilst a ‘stranger danger alert’ sent last week was ‘pushed’ to all parents via the ‘Whole School’ group).

If you have any concerns or difficulties, please contact me via the school email address or pop into the office to check with one of the staff or check the setup manual. So far most problems have been rectified by going back and selecting the ‘Whole School’ group for your student!

Best Regards,

John Williams

Library News:

PRC homepage https://online.det.nsw.edu.au/prc

We have more PRC stars! Congratulations to the following students who have completed their Premier’s Reading Challenge by entering their 30 books online. Well done - this is a fabulous achievement!

Kindergarten – Oscar C, Archie D, Sterling N, Samuel W
Year 1 – Erin H, Poppy L, Maya R, Hannah S, Kaden T
Year 2 – Lili B, Dani B, Eduardo B, Jet C-C, Jessica H
Year 3 – Cory G
Year 4 – Ainslie B, Luke D, Emily N, Piper S
Year 5 – Benjamin C, Oliver F, Daniel J, Jenna M
Year 6 – Abbey A, Bianca H-B, Sachi L, Alice M, Brianna W

Exciting times! All 67 PRC stars who have had their names in the Newsletter have been choosing a new book to keep this week as a special congratulations from the library.

Students from 3-6 will continue to enter their books online during their library sessions next term. Keep reading! Remember, you have until August 21. There is still plenty of time. We greatly look forward to awarding a book to each and every student who successfully completes the challenge.

Kinder Incursions

Kindergarten welcomed various visitors who help us in our community as part of our HSIE focus on “Our Needs.” In addition to listening to the interesting talks, Kinder were bandaged by Nurse Simone; rescued by Lifeguard Clint; explored Sergeant Matt’s police car & investigated a Fire truck before Fire-fighter Chris had to go to help someone!

A huge thank you to all of our visitors for enhancing the students’ learning.

Sports News:
PSSA this week...

NO games this week for PSSA. Competition will resume again next term, Friday July 17.

Other Sporting News – Skating Like A Pro!

Following Jed R’s 8th placing at the Australian Skateboarding Championships in Melbourne, a 2nd placing in the Australian Top Grom under 13 Vert Championships and a very respectable 3rd in the Canberra Belco Bowl Championships, Jed has been entered into the Volcom’s ‘Wild in the Parts’ skateboarding competition. This is an Australia & New Zealand wide competition that requires entrants to get the most votes to proceed to the next round where a professional judging panel ultimately decides the winner. He is competing in the boys under 15’s category and needs our Wheeler support! All you have to do is follow this link: http://witp.volcom.com.au/2015/06/jed-ragen and vote for his video. Let’s get behind this very talented skateboarder!

Sculpture Exhibition:
Term 3, Week 7, August 25th – 28th, 2015

It is on again … the environmentally sustainable sculpture exhibition!

Parents are encouraged to work with their children over the Term 2 break to design and make a 3D exhibit for a Wheeler Sculpture Walk during Term 3.

This year we are asking you to enter one of the following sections with your innovative design –

1. Ornamental – e.g. animals
2. Functionality – e.g. a cockatoo deterrent, bird proof lunch box
3. Abstract Design – e.g. decorative structure made from recycled goods

Lessons on the ‘reduce, reuse, recycle’ message will be given at school. Some of the younger classes will produce more fragile or simple sculptures in class in response to their design and make lessons. These will be exhibited in the hall.

Attached to each sculpture we need a statement containing the following:

Sculpture artist name, Name of sculpture, Category, Materials used

The gallery photos section on the school webpage has wonderful images from 2013. Please visit for inspiration…

Any further queries please email Ms Williamson (linda.williamson@det.nsw.edu.au)

Years 2-4 Athletics Coaching Program

This term students in Years 2, 3 and 4 have been improving their skills and confidence by participating in the Athletics Coaching Program. They had the opportunity to refine their understanding of posture, positioning and correct execution when performing high jump, long jump, discus, shot put and relay running. It was great to see them take this on with enthusiasm and vigour guided by the professional coaching of Daniel and Mel. We look forward to seeing the kids showcase these new talents at the upcoming 3-6 Athletics Carnival on Tuesday the 4th of August.

Mrs Julia Smith
Assistant Principal (relieving)
Year 3 and 4 Excursion

This week, Year 3 and 4 students visited two important historical sites in Parramatta, Old Government House and Experimental Farm. The children were involved in specifically designed, stage appropriate programs (‘Slates and Chamberpots’ at Old Government House and ‘The Thief, The Farmer and the Surgeon’ at Experimental Farm) which gave students an insight into life in the early 1800s in Australia and some of the difficulties and hardships faced by early settlers.

To make the experience more authentic, students wore ‘olden day clothes’ such as long dresses/skirts, aprons or bonnets for the girls and shorts/long pants, a button up shirt or an old style cap for the boys. The kids looked fantastic and really enjoyed the day (even meeting the very strict Mrs Johnson).

Mrs Miller, Mr Cox, Ms Miles, Mrs Richards and I were very impressed with the behaviour of the students who showed their guides and members of the public respect and courtesy. We would like to thank the fabulous parent helpers who also attended the excursion to assist with supervision. You helped make the day a very enjoyable one for all.

Multicultural Public Speaking Finals

On Tuesday, Sofia B and Luke R from Year 4 and Chloe R and Erin G from Year 6 went to Collaroy Plateau Public School to participate in the Regional Multicultural Public Speaking Competition. Each representative presented a prepared speech based on one of a variety of multicultural topics provided. They then had to give an impromptu speech. The impromptu topic was chosen by the adjudicator on the day. Stage 2 was assigned the topic ‘Country and City’ and Stage 3 was given the topic ‘Changes’. Contestants had 5 minutes to write their impromptu speeches and then deliver them in front of the audience and adjudicator. This is a very tough task and all Wheeler Heights representatives handled it beautifully, presenting fabulous prepared and impromptu speeches.

Again the standard of speeches was exceptionally high and the adjudicator had the very hard job of choosing one winner and 2 highly commended speakers from each Stage. Congratulations to Sofia B who was awarded one of the highly commended awards for the Stage 2 final.

All Wheeler Heights representatives should be very proud of themselves as they tried their personal best and were wonderful representatives for their school. Great Job!

Mrs Julia Smith  
Public Speaking Coordinator
What a fantastic result for both Junior and Senior at the Extreme Dance Eisteddfod. Seniors were awarded Highly Commended and it was a tough competition competing against 20 schools. Juniors and Senior’s all danced to their personal best.

As we have now completed the 2015 Dance Season we would like to wish all our Year 6 Dancers good luck going to high school and thank you for being a part of the dance groups (most since year 2). Thank you to all the parents for taking their time out to support the children at the Eisteddfods and performances, we hope you have enjoyed watching them.

Bek O will be leaving the dance admin support role and we would like to thank you for all your help over the years Bek, it has been lots of fun. Jasmine W will be taking on this role from next season, thank you Jas.

Stay tuned for the try out notices for years 2-5 at the end of Term 3.

BAND NEWS

FESTIVAL FRENZY: WHPS BANDS SHINE @ PITTWATER HIGH

On Sunday 14 June, on a chilly winter Sunday, all WHPS bands performed at Pittwater High School as part of the 2015 Northern Beaches Instrumental Festival. Our Bands’ performances were met with great appreciation from a very welcoming audience, augmented with discerning friendly observations from some highly qualified assessors.

Congratulations to all bands and their conductors, Cassie and Kelvin, for a great day of music. It was good fun and an excellent learning experience for our budding musicians. The bands sounded fantastic. Extra special accolades go to the Senior Band who managed to produce a very big sound with a surprisingly small band. Particular congratulations go to our Senior Band soloists Chloe R (flute) and Will G (Trombone) whose featured solos on the day were amazing and brought specific positive reference from the assessor and applause from the audience. Well done guys!

Thanks also to Mr Scotter, Mr Williams and Mrs Butler for coming along to festival, in their spare time, to watch, help and support our bands.

DISCO LIVES! MORE SENIOR BAND SUCCESS

The Tuesday night after their appearance at Pittwater High School the Senior Band performed at NSSWE’s June Community Concert series. It is obvious that the Senior Band has now hit full stride. What an amazing performance! The band stole the show! Their very tight and funky rendition of “Disco Lives” brought huge cheers from the audience as well as some spontaneous “YMCA” dancing in the aisles. Well done Cassie and band – you guys are now definitely finding your groove!

Extra special thanks to all the Senior Band parents and carers who braved the early evening traffic chaos to get to this gig, so soon after the band’s performance on Sunday. It was a fantastic concert and a very worthwhile experience for all concerned.

PLAYERS OF THE WEEK

Lily G scored a B in her Grade 3 Clarinet exam. WHAM! Great work Lil! Special thanks also to Lily who has been spotted attending, watching and helping at rehearsals, even though she has broken her arm and can’t play her clarinet. What a team player!

Luke D bagged a B+ in his Grade 2 Trombone exam. KAPOW! Congratulations Luke, keep up the good work!

Abbey A achieved a B+ in her Grade 3 Clarinet exam. BOOM! Great work Abbey!

Lainey H is an absolute legend! She has been coming along to Training Band rehearsals event though she has a cast on her arm and cannot play French Horn! Wow! What amazing dedication! Great work Lainey.

NEXT BAND COMMITTEE MEETING

Just a reminder that the next band committee meeting is to be held on Monday 13 July at 7.00pm in the School staff room. Please consider coming along to this meeting. We always need more helpers. Contrary to popular misconception, the meetings don’t drag on for hours (we all have families to go home to). Our band meetings provide a great chance to have a chat about the state of the bands and how to improve the processes, as well as to share responsibilities as evenly as possible.

With the school’s help, the band program is run by volunteers. We need more of them.

SENIOR & INTERMEDIATE BANDS: END OF TERM P@@@@RTRY!

That’s right folks. To celebrate the end of a busy musical Term our Senior and Intermediate Bands are partying on Thursday, 25 June (across their respective normal afternoon rehearsal times).

The theme for our parties is PYJAMAS, ONSIES AND WINTER WEAR! Wear or bring your favourite warm, fluffy, glam, daggy, comfy winter snuggle wear (and accessories, such as teddy bears or beanies!). Come along to rehearsal and SNUGGLE UP with some lonely quivering quavers! PLEASE also bring your favourite party food to share. Have fun.

HOLIDAY PRACTICE

All band musicians are reminded that, if you’re looking for something to do in the upcoming holidays, nothing beats a few minutes practicing your instrument. Term 3 promises to be a very musically active term. So keep playing your instrument! We need everyone in full swing from the first down beat of Term 3. Don’t forget that a little bit of practice every day is all it takes to keep progressing on your instrument.

EVENTS FOR THE DIARY

Band Committee Meeting
Monday 13 July, 7pm

Wheeler Woodstock @WHPS Jazz Band
Sunday 9th August, 12-4pm

More Term 3 dates for great events coming soon. Watch this space!!

MONA JOHNSON

A 2013 report from the Victorian Parliament found that **music is an essential element of a child’s education** because of its intrinsic value and role in developing the whole child. Music education also helps to enhance student engagement and wellbeing and can increase personal and social development. Wow!
Please see attached the roster for Term 3.

There are many vacant spots, mainly on a Tuesday, if you can’t offer a full day we are always needing people from 12:30 - 1:30.

Happy Holidays!

Warmest regards,

Zoe & Tracey

Dear all Families,

Here is the latest news, photos and information about what’s going on at Wheeler Heights Before and After School Care.

On Tuesday 23rd of June the WHOSHC children will be hosting their very own End of Term Multicultural Celebration. They will help to prepare afternoon tea options for the group that reflect different cultures such as Kofta style Kebabs (in acknowledgement of Ramadan and linked to Middle Eastern Culture) and a West African inspired Fruit Salad. They will also take the time to display artworks that they have completed over the last two weeks that show that they have been exploring signs and symbols of other Cultures.

Also, you’ll be happy to hear that there are still vacancies for our June/July Vacation Care Program which runs from Monday 29th June - Monday 13th July (the day before the start of School Term 3). Please take the time to complete and return you’re booking forms. If you have any questions regarding Vacation Care, please do not hesitate to ask any of our friendly WHOSHC Staff.

Families can contact staff at the Centre by calling 9972 3895 or 0430 351 734 or by emailing whoshc@primaryoshcare.com.au. Centre Managers can be contacted directly by emailing headoffice@primaryoshcare.com.au.

Every parent wants their child to be the best they can possibly be, but how do you discover and encourage your child's particular natural talents? Clinical psychologist Andrew Fuller believes that all children have an innate sense of inquisitiveness that is fundamental to creativity and lateral thinking. However, social conditioning and school can lead to a desire to conform and fit in which dampens that exuberance and curiosity.

Andrew Fuller's interest in creativity combined with a lifetime spent working with people on a wide range of issues has led him to write *Unlocking Your Child's Genius: How to discover and encourage your child's natural talents*. It is a guidebook for parents to unleash their own genius and role models for children.

He examines the skill set parents (and other mentors for young people) need to foster lateral thinking in others as well as the environment and conditions essential for launching a child on a lifelong journey of exploration.

Creating an environment in which your child’s genius can flourish

Andrew Fuller works with many communities and schools in Australia and overseas. He is an Honorary Fellow at the University of Melbourne. Andrew has acted as the scientific consultant for ABC TV on the science of teenage brains, is the principal consultant for the national drug prevention strategy REDI, an Ambassador for Mind Matters, a Member of the National Coalition Against Bullying, and is the Co-Director of Resilient Youth Australia. He is the author of numerous books, including Tricky Teens, Tricky Kids, Tricky People and Life: A guide.

He says, ‘Children are born bright, curious and inquisitive. All too often in middle childhood, the initial fires of genius that burned so brightly falter, and there is a risk that they will be snuffed out. If this happens, children fear trying new things and worry about making mistakes. The child is left with a stunted version of their abilities and themselves.

‘Fortunately the power of parents to ignite the blaze of brilliance at this time becomes truly inspiring. You have at your fingertips the best laboratory for unlocking your child’s genius - it’s called the world. By exploring, creating and playing in it you can expand your child’s mind. By taking time with to delight and wonder and be curious you ignite sparks that will flicker and flourish throughout your child’s life.’

Unlocking Your Child’s Genius enables parents to help children aged two to eighteen to uncover their own unique talents. Andrew Fuller has a set of suggestions for each age group at the end of every chapter that will help you to bring out the innately curious, questioning, lateral thinking individual your child was meant to be, regardless of which field their talents lie in, from helping others through the arts, sport, business and academia.
