From The Principal:

Please note that the Musica Viva performances scheduled for tomorrow have been postponed to Friday 21 August due to illness.

P&C News

Please be sure to complete the P&C uniform survey which is detailed later in the newsletter. Thank you to the parents who have produced the survey. At this week’s meeting we discussed future funding projects for our school. If you do feel there is a project which the school should be considering please contact the P&C president (Kirrilee Wallace- acting president this term) or Mr Scotter.

School Car Park and Safety

Please be reminded again that parents are only permitted to use the car park before 7.30am and after 5.30pm, which the sign clearly states, due to obvious safety concerns and the high traffic in this area. Please be aware that most schools do not allow parents to use the car park at any time. Also if your child has an activity at school (eg. Band or music lesson) which does not start until 4pm or later, then they should go home and return to school when their lessons commence. This is obviously to ensure that all students are safe and supervised in the afternoon. Don’t forget that Primary OSHCare are available each afternoon from 3.15-6pm.

Enrolments 2016

Please don’t forget to let the office know if you have a sibling coming to Wheeler Heights next year, and also let your friends and neighbours know.

Education Week- Thursday 30 July from 1.25pm

Next Thursday 30 July we will have our Education Week Open Day. Parents are invited to come at 1.25pm and join their children with a picnic lunch as the Jazz Band play on the hall deck. At 2pm we will have a concert in the hall with performances from our many creative arts groups. See the flyer later in this newsletter.

School Disco Thurs 30 July K-2 from 5.30-6.45pm and Yr 3-6 from 7-8.30pm

The children are very excited about the upcoming Disco with our energetic DJ Andy, who has plenty of props, prizes and partying ready!! Please keep the date free and purchase tickets on Flexischools.

NRMA Road Safety Day- Tues 28 July- Parents welcome at 9.20am

On Tuesday 28 July the NRMA Science and Road Safety team will be at Wheeler Heights all day. The team will be running four workshops in the Hall focusing on road safety and science. Each student will receive a workbook and a drink bottle. Parents are invited to attend the first session with the children at 9.20am. Students are asked to bring along their bike helmets on the day. This program is a free initiative sponsored by the NRMA.

First Aid for Children

We are very fortunate that the St John Ambulance group will be running a first aid workshop for all students in Years 3-6 in the next few weeks. Thanks to Claudia Schremmer for suggesting this excellent initiative. See the flyer later in this newsletter for further information of content.

School Office Foyer Displays

I hope you have seen the latest foyer displays from 1B and 2M. They are very creative and I encourage classes to regularly visit the school foyer to see our talented students’ art work. Each class has a rostered display time once or twice a year.
Ballroom Dancing
This week was the first week of Ballroom Dancing for Years 5 and 6, with very pleasing participation and enthusiasm from our senior students!! A number of schools have also begun this new program and the feedback has been extremely positive. The program is being run by Dancesports Australia.

Online Safety Presentation
We are pleased to be hosting a ‘ThinkUKnow?’ presentation for parents, carers and teachers to raise awareness of the issues which young people face online and whilst using mobile phones. The presentation will take place here at school on Thursday night, 20 August. More information is provided later in this newsletter.

University of NSW Competitions
On Tuesday July 28 is the English Assessment, with all Years 4 and 6 sitting the test and students in Years 3 and 5 who elected to sit the test. On Tuesday August 11 will be the Mathematics Test. Practice questions are now available online at https://www.eaa.unsw.edu.au/icas/download-practice-questions

Year 6 Survey
Year 6 students have been given a note regarding the UNSW Middle Childhood Survey (MCS). The students will be completing this simple 30 minute survey in class. If you would prefer your child not to participate please be sure to return the form asap.

Woolworths Dockets
Once again we will be collecting the Woolworths dockets as a fundraiser. Last year we donated the resources to Stewart House and this year the SRC will decide upon a suitable organisation.

Desk and Filing Cabinets
We still have two old office/teacher desks (750 x 1150 & 900 x 1700mm) and a couple of small filing cabinets to give away if any parent or community group would like them. They are currently sitting outside the main Admin block. Please contact the office asap.

TERM Dates:
Term 3 finishes Friday 18 September
Term 4 Tuesday 6 October- Wednesday 16 December

David Scotter
Principal

From The Deputy:

PBEL, The Wheeler Way and Playground behaviour
Following our rigorous and productive discussions around playground routines, supervision and behavioural expectations on the Staff Development Day and the subsequent discussions with students in our classes, staff have reported a positive trend of improved playground behaviour. Using the consistent language of The Wheeler Way and PBEL (Positive Behaviour for Engaged Learning) we will continue to focus on ‘In-Bounds Play’ and the ‘zero tolerance’ for students who choose to play out-of-bounds. This is a very important aspect of our playground expectations for the obvious safety consequences of students being in unsupervised or potentially dangerous areas of the school. As mentioned last week, the consequence for out-of-bounds play will be a yellow slip and we ask parents not to be overly concerned if their child receives a yellow slip in the next few weeks.

ThinkUKnow? Online Safety Presentation 20 August
ThinkUKnow is an internet safety initiative which aims to raise awareness of the issues which young people face online and whilst using mobile phones. It is a partnership between the Australian Federal Police (AFP) and Microsoft Australia, and is now proudly supported by ninemsn and Datacom.
Our school will be hosting a ThinkUKnow presentation on Thursday 20th August at 6pm and all parents, carers and teachers are encouraged to attend. This presentation will cover topics such as how young people are using technology to have fun, online grooming, cyber-bullying, inappropriate content and e-security. This is a fantastic opportunity for you to learn more about how young people have fun online, how you can help them to stay in control on the net, and how to report a problem.
For more information, you can visit the ThinkUKnow Australia website at www.thinkuknow.org.au. More information will also follow as we draw closer to the event including a register of intention to attend.

Nationally Consistent Collection of Data on School Students with Disability
The school has now finalised the entry of data on students who are receiving adjustments to meet additional learning and support needs. From this year, all Australian schools are required to collect this data in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education is provided in such a way that it cannot be used to identify any individual student or school.
If you have any questions about the data collection, please do not hesitate to contact me.
Communication APParent!
I am continuing to plug the app as it is an important component in our communication system and the best method we have for timely, specific and focused reminders and the broadcasting of important notices. Hopefully members of our senior choir found the app useful on Tuesday this week when we were able to use this resource to tell parents just after 3pm that the bus was late and students would not be back at school for pickup. We were then able to send another notification informing parents of progress and a fairly accurate eta as Mrs Butler passed details on.

If you haven’t yet found the time to install and setup the Primary Parent Planner App on your device, why not make Term 3 the term when you do? As well as newsletter access, a handy way of contacting the school via email or phone, access FlexiSchools and the ability to submit an absence note, we discussed at Monday’s P&C meeting the possibility of including major school events and necessary links associated with them also – a feature I intend to activate this week. I encourage you to explore the various features at your leisure. Ask your friends what they know about it and share your knowledge.

If you have any concerns or difficulties, please contact me via the school email address or pop into the office to check with one of the staff or check the setup manual. So far most problems have been rectified by going back and selecting the ‘Whole School’ group for your student!

John Williams
Deputy Principal (relieving)

From The Office:
Statement of Accounts and the PCS Levy.
Statements will be posted this week.
We have had a couple of queries regarding the PCS Levy. The $10 PCS (Peninsula Community of Schools) Levy covers our participation in a number of special initiatives with the twelve local primary and high schools within the PCS. This levy is not a P&C contribution.

Book Club
Book Club order forms were distributed recently. Please return to the office by Friday 27 July.

Jodie Sly
School Administration Manager

SRC Update 😊
Day for Nepal
As previously mentioned we would like to support the community of Nepal who have experienced utter devastation as a result of the recent earthquakes. We will be holding a Day for Nepal on Thursday 6 August when the students will be asked to bring in a gold coin and/or a donation of stationery items for a village school we will have a first-hand connection with – more details next week. The exciting aspect of this venture is we have a direct link in Fiona Chadwick (Malie 1/2T & Shanti 2M) who will take all goods and funds directly to Nepal in September. As a mark or respect the students will be asked to wear the colours of the Nepalese flag: red, white & blue.

Bike Racks
You may have noticed a new & shiny bike rack in the top end of the school…the special delivery arrived at the end of last term. The SRC raised the funds by holding a cake stall last term. We hope the bike riders enjoy the new bike rack! A huge thank you to Mr Radom and parents from the parent working bee last term who cleared the area to make way for this new addition to our school environment.

Woolworths Earn & Learn
Once again Woolworths is running this promotion and we ask the Wheeler community to support it (if you shop at Woolies!!) Essentially, for every $10 spent in-store, you receive a sticker – these stickers can then be placed in a box in the school office. The total amount of stickers equates to a dollar value which will be used to purchase a variety of wonderful teaching/learning resources. The SRC will select a worthy charity to donate these items to later in the term.

Tracey Mavromatis
SRC Coordinator

Chess News
Welcome back to coaching for Term 3. Years 4 - 6 started again in the doubleroom on Tuesday, and the Juniors will have their first session next Monday. The website will have this term’s enrolment form from next week (in case the hardcopies don’t make it out of school bags) - prompt return thereof would be appreciated!
Please check out the website for details of Harbord Diggers’ chess offerings for this term, including a tournament along the lines of last year’s, in which a few of our players were very successful!

Many chess regards

Heike Zillhardt
Chess Coordinator
Sports News:
PSSA this week
This week we take on the mighty Bilgola Plateau. Finger crossed the weather holds out so we can get back into our great competition! Netball is at Boondah, Girls and Boys Soccer is at Narrabeen North Public School and the League boys are at Newport Oval. Just a reminder, to keep up to date with information please download Primary Planner App to your Apple or Android device.

There is a provision to make up washed out games after the planned rounds have been completed.

State Cross Country
Congratulations to Kahli J who competed in State Cross Country last Friday. Kahli put in a great effort to come 27th out of 80 in her age group. This is a fantastic effort and she represented Wheeler and Sydney North with pride, determination and wonderful sportsmanship!

Yours in Sport,

Mr Tyson Blanshard
Sports Coordinator 2015

P&C Uniform Survey:
The WHPS P&C Committee invites parents who have daughters currently enrolled at school to complete this 4 question survey to give us your opinions on the current girls’ winter uniform. Based on feedback, the P&C committee will make recommendations to the Principal who, in conjunction with the P&C executive, will communicate a decision later in the year.

This survey closes 6pm Friday 7 August 2015

Take the survey by clicking the following link: https://www.surveymonkey.com/s/25QXQKT

Thank you in advance for your participation,
P&C Executive

Count down till our Sculpture Exhibition …

A reminder to parents and students that our exciting sustainable sculpture exhibition is on in 5 weeks – Week 7! Some families have already completed and sent in their exhibit, so we have included some early photos to inspire you.

Remember that there are 3 categories:
1. Ornamental – e.g. animals
2. Functional – e.g. a cockatoo deterrent, bird proof lunch box, sushi sauce recycle fish
3. Abstract Design – e.g. decorative structure made from recycled goods

Please include a statement containing the following: sculpture artist name, name of sculpture, category and materials used. I will then type up this information, laminate and attach to the sculpture for the much anticipated sculpture walk, August 25th – 28th, 2015.

Any further queries please email Ms Williamson (linda.williamson@det.nsw.edu.au)
Stage 3 Excursions to Bathurst and Canberra
Just a reminder that the 2nd payment is due this Friday 24th July. Bathurst $140 and Canberra $130. The permission notes which contain the various payment options are on the school website. Please contact your class teacher if you have any concerns.

Year 6 Sustainability Projects
During Term 2, Year 6 students completed a project around sustainability, focused on renewable energies and the impact of fossil fuels on the environment. The completed projects were of a high standard and the teachers were entertained with presentations, models and songs. It highlighted the ICT skills, creativity and critical thinking abilities of our current Year 6 cohort.

Regards,
Year 5 & 6 teachers
St John has been invited to deliver our **First Aid in Schools Program** at your school. This is a free program St John (NSW) is offering, to provide school aged children with first aid skills they can use in the event of an emergency.

The First Aid in Schools Program is delivered at your school by St John (NSW) Volunteer Educators.

CRASH! BAAM! TALKING TIMPANI

Over recent weeks, you may have noticed a few new “big ticket items” have appeared in huge boxes outside the band room. The Timpani have arrived – and we’re very excited. In fact, we’re so excited we’re too scared to take these precious monsters out of their boxes.

But they will appear very soon in a WHPS band near you and, rest assured, their presence will most definitely be felt. Our drummers are drooling with excitement.

Over the next few rehearsals our band conductors, will be running information sessions about the timpani, and will emphasise the respect with which they must be treated. Our new Timpani cost a lot a lot of money and all band members, and the school generally, must be alert to the importance of not touching, moving, banging or even going near these drums without supervision and approval.

WHAM! SHAZAAAM! NEW BASS DRUM APPEARS!

Thanks to the generosity of our friends at Arts Alive (who visited our school late last term for a magical combined concert) we’ve also “inherited” a new (2nd hand) concert bass drum. Compared to our old bass drum our new arrival is HUUUGE and is set to add even more color and bang to the bottom end!

SECOND HALF YEAR ACCOUNTS SHORTLY DUE

Band parents will shortly be receiving an account for band fees for the second half year. We ask for prompt payment - online through Flexischools or direct deposit - or by cheque (properly labelled) posted in the band mail box in the office. If you have any questions or comments about your account please drop us a line at whpsband@gmail.com.

PLEASE BE ON TIME TO REHEARSAL

We know it is cold and dark in the morning...but we ask that everyone please make an effort to get to band rehearsals on time. Actually, please get to rehearsal 10 minutes before the start time, so you can help set up the hall and also set up your instrument and be ready for the first downbeat.

DUDETTES OF THE WEEK

This week’s certificates for the most amazing contribution to our school’s bands are awarded to our effervescent unrelenting band liaison teachers, Ms Miles and Mrs Butler. Thank you both, once again, for your unwavering commitment to our band program. We deeply appreciate the love, dedication and late nights you put in to support the band program.

ANTHONY MACDERMOTT
whpsband@gmail.com / 0417 277 89

LATE NEWS!!!! That’s right folks, it is officially happening! Monday 5th October is a public holiday (and last day of the next School Holidays). It is also the day on which our Jazz Band will be performing at the Manly Jazz Festival. This is the real deal, stay tuned.

WHPS OPEN DAY: NEW GIGS ON THE CALENDAR

As part of the WHPS open day festivities, on Thursday 30 July (during the school day) our Senior Band and Jazz Band will both be performing at the Wheeler Heights Open Day Concert. This will be a great opportunity for parents, grandparents and friends to see our bands in action.

WHEELO WOODSTOCK: JAZZ BAND WORKSHOP AND CONCERT

In conjunction with Curl Curl Primary School, Harbord Primary School and Mona Vale Primary School, Wheeler Heights Primary School’s Jazz band is hosting the 2nd annual Jazz Band “shin-dig” with the Jazz Bands of each of these schools, on Sunday 9 August 2015 between 12pm and 4pm.

Attending the event will be three Australian Jazz MEGA STARS: John Morrison, James Greening and Judy Bailey who will mentor the school bands in a friendly workshop environment. [Follow our hyperlinks to find out more about each of these stars!]

This specialized event is to help our budding jazz band musicians learn and appreciate Jazz at a young age. Its aim is to help our kids develop confidence in using their ear, improvising and swinging. It is also intended to help them understand the distinction between a traditional concert band setting and a Jazz, stage or big band. The event promises to be informal and heaps of fun culminating in what will hopefully be a funky concert to conclude the afternoon. The concert is expected to start at around 3.15pm and run for half an hour. Bring your best smile and get ready to swing.

EVENTS FOR THE DIARY

Open Day@ WHPS
Senior Band AND Jazz Band
Thursday 30th July, lunchtime and afternoon concert

Wheeler Woodstock @WHPS

Jazz Band
Monday 5th October, Time TBC

MONA JOHNSON
Dear all Families,

Here is the latest news, photos and information about what’s going on at Wheeler Heights Before and After School Care.

The WHOSHC June/July Vacation Care was extremely well attended and we received plenty of positive feedback from the children about the program, their likes and ideas of what they would be excited to see appear on the program for next Vacation Care. For example, we discovered that Electronics and Mystery Day, Ten Pin Bowling Day and IMAX Theatre Day were our most popular. Suggestions for future Vacation Care Days included a visit to Luna Park, the Reptile Park and more Bowling fun!

An email was sent out 13.07.2015 with a link for parents to complete a survey regarding Vacation Care. Thank you to those who completed the surveys. We are already in the process of preparing a program for the September holidays based on this feedback.

The WHOSHC Clubs for this Term are as follows:

Families can contact staff at the Centre by calling 0430 351 734 or emailing whoshc@primaryoshcare.com.au. Centre Managers can be contacted directly by emailing headoffice@primaryoshcare.com.au.
Parents: We Need You!

We are investigating parents' perceptions of parenting support programs.

If your child is aged 2 to 10 years, please consider this 20 minute survey about parenting programs, your child, and yourself:

https://exp.psy.uq.edu.au/parentviews/

Thanks for your support!

We were recently contacted by researchers from the University of Queensland and the University of Western Australia who are investigating perceptions of parenting support programs and what influences whether parents take part in such programs.

Participation in the study offers parents free access to a positive parenting video and brochure, which are based on the TripleP - Positive Parenting Program (an empirically-supported parenting skills program that decreases parental stress and child problems).

If your child is aged 2 to 10 years, please follow the link below to complete a 20 minute survey about your perceptions of parenting programs, your child, and yourself:

https://exp.psy.uq.edu.au/parentviews/

Contact Genevieve on 0408 357 311 (email: genevieve.whybird@uqconnect.edu.au), or Louise on 0419 917 998 (email: 21125278@student.uwa.edu.au) for more information.

We thank you for your support!

Lifeline Northern Beaches Giant Book Fair: 7th to 9th August 2015

Venue: Ted Blackwood Hall
Cnr Jackson & Boondah Rds
Warriewood

Dates/Times: Friday 7th August 1pm -- 8pm
Saturday 8th August 9am -- 5pm
Sunday 9th August 9am -- 2pm

Please note we accept Visa & Mastercard and also have EFTPOS facility available

(Entry by gold coin donation very much appreciated)

At the Book Fair there will be thousands of good quality books, at bargain prices, in many categories, including a wide range of children's books suited to all ages.

For the enthusiast/collector we have a large number of award winning and collectible books.

In addition to the above we will also have a wide selection of puzzles, games, CD, vinyls etc so there’s something for everyone!

All funds raised support the activities of Lifeline Northern Beaches which, in addition to the crisis line (13 11 14), provides a lot of services to our community, including 24 hour counselling, bereavement support, anger management and problem gambling to name but a few.

Your support for our Book Fairs goes a long way in generating the funds required to continue providing these services to our community

See you there!

The Lakes Catholic Parish Family Based Sacramental Program

An information evening will be held in St Rose Church Collaroy Plateau at 7pm on Monday 7th September 2015. To be eligible for enrolment in this program, your child must be baptised and at least in Year 2 at school. If you are considering enrolling your child in the Sacramental Program, it is essential that a parent attend this information evening.

For further information about the Sacramental Program, please visit our parish website: www.lakesparish.org.au or contact the parish office on 9982 1058.
Registrations now open for 2015-2016 Season

Play Ball!

Baseball for boys & girls from ages under 6 to 16 & over in divisions: T-Ball, Zooka, Little & Junior Leagues, Senior Leagues

Download our registration form @ www.warringahbaseball.com.au and follow the steps or email questions to Danielle (Registrar)
registrations@warringahbaseball.com.au
